

A SEMINAR ON PALMASTROSCOPE
“LINKING THE HAND WITH THE HOROSCOPE”

A GREAT TEACHER & VISIONARY WITH A SCIENTIFIC TEMPERAMENT
Prof. Gopalkrishna D. Modi

A seminar on “Linking the Hand with the Horoscope” was held on 21st December 2014 at the Azarimal Somani College, Bharatiya Vidya Bhavan, Mumbai. The Seminar was organized by Prof. G.B. Forbes, the Principal of Bhavan's Jyotisha Bharati, and conducted by Prof. Anthony Writer. It is dedicated to the late Prof. Gopalkrishna D. Modi, the former Principal of Jyotisha Bharati, who initiated this project for future studies and research at our Institute on a scientific temperament.

The theme of the seminar highlighted the use of the 5 elements: Fire, Earth, Air, Water and Ether to link the mounts of the hand, the fingers, the phalanges, nails and tips of the fingers, the lines of the hand and the dermatoglyphics such as the arch, loop, whorls, etc., to the signs of the zodiac and the planets of the Solar System. Through a combination of systems and methods used by the Acharyas of the East and the Savants of the West, we will definitely be in position to complete this project of Mr. Modi. The success of the project demands research with dedication and untiring efforts.
